SELECTION METHODOLOGY

QUALITY CUM COST BASED SELECTION

1. **Technical Qualification Criteria.**

(a) Only those bidders who qualify all Pre-Qualification/Minimum Eligibility Criteria requirements shall be qualified for technical bid evaluation.

The Office reserves the right to reject a service in case the offered service does not match the technical requirements/objectives specified in the tender document

(b) The technical bid shall first be reviewed for determining the Compliance of the Technical bids with the terms and conditions and the scope of work as defined in this tender document.

(c) Any bid found to be non-compliant with the mandatory Technical Requirements, bid terms, conditions, and work scope shall be rejected and shall not be considered for further evaluation. Bids that are technically compliant would only be taken up for commercial evaluation.

(d) Bidder is required to submit all the supporting documents as per the criteria mentioned in the bid. However, Buyer reserves the right to summarily reject any bid which does not contain all the mandatory supporting documents & the decision of Buyer shall be final and binding in this regard.

(e) A score would be given to each bidder by the committee members based on the scoring criteria.

Bids that are technically qualified would only be taken up for financial evaluation.

(f) Buyer reserves the right to disqualify any bidder based on any relevant criteria, and its decision is final.

(g) The Bidder should submit the following documents as documentary proof:

(i) In case of Completed Projects: Firm should submit a Copy of Work Order/Contract Agreement and any document justifying the completion of the assignment from the client.

(ii) In case of Ongoing Projects: Firm should submit a Copy of Work Order/Contract Agreement and Self-Certification.

(h) The bidder reserves the right to renegotiate any terms (Price/Technical) further with the successful Bidder.

(i) Technical Bids shall then be evaluated for the following broad parameters. The Bidders should have the following criteria for participating in the tender.

2. **Evaluation Criteria of Technical Bid.**

(a) The Technical Evaluation would be done for only those bidders who comply with the pre-qualification criteria mentioned in – Minimum Eligibility Criteria/Pre-Qualification Criteria.

(b) Quality and Cost-based Selection (QCBS) – 70:30 (Technical: Financial).

(c) Only those bids which have a minimum technical score of 70% of total marks as in the table above shall be considered qualified. However, the Buyer reserves the right to lower the minimum required marks.

The score of the Service Providers will be given by a committee constituted by the Buyer organisation.

(d) The Bidder is required to give a detailed presentation on the services to be provided.

3. **Evaluation of Financial bids.**

(a) Financial bids submitted by only those bidders who have qualified both technical & commercial evaluation shall be eligible for further evaluation.

(b) Only those Service Providers that have achieved at least a minimum qualifying score (70% in this case) will be treated as qualified and only their financial proposals will be opened.

(c) In the case of a tie between two or more bidders (i.e. equal financial quote), the bidder with the higher score under technical evaluation shall be ranked first in order.

(d) If Bidder quotes NIL charges, the bid shall be treated as unresponsive and shall not be considered for evaluation.

4. **Selection of Bidder.**

(a) The Selected bidder shall not be declared till the detailed financial bid is not evaluated. During the evaluation, if the Purchaser finds that the detailed financial bid is not in order or incomplete etc. then Purchaser shall treat the bid as non-viable and the same shall be rejected, and EMD shall be forfeited. In such a case, the next ranked bidder shall be considered for further evaluation and so on till a bidder is selected.

(b) If any bidder withdraws his bid, at any stage after the submission of the bid, till the final evaluation or declaration of the final selected bidder, it shall be declared a defaulting bidder and EMD of such defaulting bidder shall be forfeited, and Purchaser reserves the right to blacklist such bidders for the next three years from participating in any Purchasers' tender. In such a situation, the tendering process shall be continued with the remaining bidders as per their ranking.

(c) If the bidder backs out after being declared as the selected bidder, it shall be declared a defaulting bidder and EMD of such defaulting bidder shall be forfeited and Purchaser reserves the right to blacklist such organization for the next three years from participating in any Purchaser Tender. In such a case, the detailed financial bid of the next ranked financial bidder shall be evaluated.

(d) If the next ranked financial bidder also backs out, then Purchaser shall complete the tender process by following the same process again for other remaining financial ranked bidders.

5. **Final Evaluation of Bids.**

(a) After opening and evaluating the Financial Proposals of technically qualified bidders, a final combined score is arrived based on predefined relative weightage.

(b) To ascertain the Inter-se-ranking of the bids, the Quality & Cost Based Selection (QCBS) methodology as mentioned below shall be adopted:

(c) An Evaluated Bid Score (B) will be calculated for each bid, which meets the minimum Qualifying marks of 50 (fifty) in 'Quality' Evaluation Criteria, using the following formula in order to have a comprehensive assessment of the Bid price and the Quality of each bid:

$$B = (Clow/C) \times 100 \times X + (T/Thigh) \times 100 \times Y$$ where,

C = Evaluated Bid Price of the bidder

Clow = The lowest of the evaluated bid prices among the responsive bids

T = The total marks obtained by the bidder against "Quality" criteria

Thigh = The highest mark scored against "Quality" criteria among all responsive bids

X = 0.2 (The weightage for 'Quoted price' is 20 %) Y = 0.8 (The

weightage for 'Quality' is 80 %)

Note:

(a) The Evaluated Bid Score (B) shall be considered up to two decimal places.

(b) Contract shall be awarded to the bidder with the highest Evaluated Bid Score (B).

(c) In the event of two or more bids having the same highest Evaluated Bid Score (B), the bid scoring the highest marks against 'Quality' criteria will be recommended for award of contract. Even if there is a tie, 'draw of lots' will be resorted to arrive at the recommended bidder.
